

St. Cecilia's Public School
Winter Carnival – Junior Branch

The Interact Club of St. Cecilia's Public school joyfully celebrated the Winter Carnival in the junior branch on 6th February 2026, creating a vibrant atmosphere filled with fun, laughter, and unforgettable memories for the young learners. The event aimed to provide children with a delightful recreational experience while fostering joy, togetherness, and the spirit of giving.

The much-awaited carnival was inaugurated by Ms. Bhawna Vij (Headmistress). Madam Principal graced the occasion with her presence and addressed the students, encouraging them to enjoy the celebrations wholeheartedly.

All the children arrived dressed in colourful party attire, adding charm and excitement to the occasion. The carnival was efficiently managed with the support of their teachers, along with fourteen students from the Interact Club, who assisted in organising the activities.

A variety of engaging games such as Mystery Box, Guess the Picture, Ring the Trunk, and Colour Sorting were arranged for the students. Children actively participated in the games, won prizes, and thoroughly enjoyed themselves. Tattoo art on hands added to their excitement, while attractions like the bouncy activity and an entertaining puppet show brought immense laughter.

Refreshments were provided to all the students. Each child also received a goody bag containing Frooti, muffin, KitKat, and chips, along with a gift set including a pencil, eraser, sharpener, and scale. Balloons were distributed to every student as a part of the celebration.

The Winter Carnival proved to be a memorable and enriching experience, leaving the children cheerful and delighted. The event was a grand success and will be cherished by the students for a long time.
